

Agile Coaching Skills

Master the advanced coaching, mentoring, and leadership skills professionals need to build high-performing teams and drive meaningful results. This microcredential is available on demand or in a live instructor-led format, providing flexibility and interaction. Participants earn a lifetime microcredential and digital badge, plus—if they're new or lapsed members—a two-year Scrum Alliance membership.

On-demand

Duration:

4 hours

Credential:

Microcredential

Languages:

English

Who it's for

- Scrum masters, product owners, and agile practitioners eager to elevate their coaching effectiveness
- Managers, leaders, and consultants looking to guide collaboration and performance across teams
- Experienced practitioners transitioning into agile coaching or organizational facilitation roles

Why it matters

Investing in Agile Coaching Skills builds coaching capacity at scale. By equipping teams with these high-demand coaching skills—such as facilitation, mentoring, and advising—organizations can boost innovation, adaptability, and cultural resilience across the enterprise.

Key learning outcomes

- Develop practical facilitation skills to foster collaborative decision-making
- Learn when to mentor vs. advise
- Apply leading skills to inspire resilience, transparency, and shared ownership
- Strengthen your coaching capabilities to guide teams through complexity

Course modules

1. Facilitation Skills
2. Teaching Skills
3. Mentoring Skills
4. Advising Skills
5. Leading Skills
6. Coaching Skills
7. Agile Coaching Skills Scenario

“My experience with Scrum Alliance was excellent from start to finish.”

— Scrum Alliance member
